

# Back in the building!

We are planning to have 3 weeks of in-person meetings on the **16th, 23rd and 30th August**. At those meetings there are things that we will choose not to do to follow the guidance set out for worship meetings. But there are things that we will be able to do! And God is on the throne regardless of what the guidance says.

We know that we can't stand shoulder to shoulder (other than with those from our household), or raise our voices, but we can raise hands, we can sit in the stillness, we can speak, we can bow in the glory of the Lord! So we're going to lean in to the things that we can do, and use them to help and encourage us corporately to connect with God.

We are going to ask you to only attend (a maximum of) one of these meetings. **We are going to specifically invite you to one of those meetings**, organised mostly by Hub group, other than for parents of under 11s.

During August, we will have a Zoom meeting every Sunday. When in-person meetings start on the 16th, we will keep the Zoom meeting going for those who aren't going to be in the building that week.

There is no compulsion to come to an in-person meeting if your health risks or your personal choices are that you are going to wait - keep joining in with the meeting on Zoom!

We are planning to have kids work (for anyone in primary school or younger) at the meeting on the 16th, and not to have kids work for the other 2 weeks. So if you're a parent of young'uns, you are invited to the meeting on the 16<sup>th</sup>! We will finalise the invitations for everyone else next week.

Kids can come on the other weeks if you choose not to come on the 16th, but would have to stay in the meeting with you rather than going out to kids work.

As this period goes on, we will work out what we are doing in September. Phases may change again, and we will definitely learn from these 3 meetings in August, plus also your feedback will help move things forward!
